## Independent Auditors' Report

### **Board of Directors VisionSpring, Inc.**

We have audited the accompanying consolidated financial statements of VisionSpring, Inc. (the "Organization"), which comprise the consolidated statement of financial position as of December 31, 2012, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We did not audit the financial statements of VisionSpring, Inc., El Salvador and VisionSpring, Inc., India, which statements reflect 34% of total assets as of December 31, 2012 and 34% of total support and revenue for the year then ended. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for these entities, is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, based on our audit and the reports of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of VisionSpring, Inc. as of December 31, 2012, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Report on Summarized Comparative Information**

We have previously audited the Organization's December 31, 2011 consolidated financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 8, 2012. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2011 is consistent, in all material respects, with the audited financial statements from which it has been derived.

**Other Matter**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedules on pages 14-15 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

##### ***Basis of Presentation***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

##### ***Use of Estimates***

Accordingly, actual results could differ from those estimates.

### 3. Summary of Significant Accounting Policies (*continued*)

#### ***Cash and Cash Equivalents***

Cash and cash equivalents consist of highly liquid investments with maturities of three months or less at the time of purchase.

#### ***Allowance for Doubtful Accounts***

An allowance for doubtful accounts is established for amounts where there exists doubt as to whether an amount will be fully collected. The determination of this allowance is an estimate based on the Organization's historical experience, review of account balances and expectations relative to collections.

#### ***Inventory***

Inventories consist of reading glasses, frames and cases, which are stated at the lower of cost or market, with cost being determined by the first-in, first-out method.

#### ***Property and Equipment***

Property and equipment is carried at cost less accumulated depreciation. Depreciation is provided under the straight-line method over the estimated useful lives of the assets. The Organization has established a \$1,000 threshold above which assets are capitalized.

#### ***Net Asset Presentation***

The classification of the Organization's net assets and its support, revenue and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of three classes of net assets, permanently restricted, temporarily restricted and unrestricted, be displayed in the consolidated statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a consolidated statement of activities.

The classes of net assets are defined as follows:

Unrestricted - The part of net assets that is neither permanently nor temporarily restricted by donor-imposed stipulations.

Temporarily Restricted - Net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. When such stipulations end or are fulfilled, such temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities.

## VisionSpring, Inc.

Notes to Consolidated Financial Statements

### 3. Summary of Significant Accounting Policies (*continued*)

#### ***Net Asset Presentation (continued)***

Permanently Restricted - Net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. The Organization has no permanently restricted net assets.

#### ***Contributions***

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions with purpose or time restrictions (defined by management as unrestricted amount due in more than one year) are reported as increases in temporarily restricted net assets. When a donor restriction expires, that is, when a time restriction ends or purpose restriction is fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Unconditional promises to give are recognized as contribution revenue in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received and are classified as unrestricted, temporarily restricted, or permanently restricted support. Promises to give are recorded at net realizable value if expected to be collected in one year. Unconditional promises to give that are expected to be collected in the future years are recorded at the present value of these estimated future cash flows.

Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at the estimated fair value.

#### ***Revenue Recognition***

Sales are recorded when products are shipped to customers.

#### ***Donated Goods***

The Organization records contributions of eye glass lenses, cases and frames by manufacturers. The contributed goods are added to inventory and expensed when sold.

#### ***Advertising Costs***

Advertising costs are expensed as incurred. Advertising costs for 2012 and 2011 were \$15,065 and \$10,303.

The costs of providing various program and other activities have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### ***Accounting for Uncertainty in Income Taxes***

The Organization recognizes the effect of income tax positions only when they are more likely than not to be sustained. Management has determined that the Organization had no uncertain tax positions that would require financial statement recognition. The Organization is no longer subject to examinations by the applicable taxing jurisdictions for the periods prior to 2009.

#### ***Subsequent Events***
